GPA Midstream Sporting Clays Networking Event Overview

The GPA Midstream Sporting Clays Networking Event kicks off the Convention with a bang at The National Shooting Complex—an action-packed, outdoor networking experience you won't want to miss! Join fellow Convention attendees for a fun and competitive day on a professionally designed clays course, where shooters of all skill levels can test their aim and enjoy the great outdoors. Whether you're a seasoned pro or a first-time participant, this event offers the perfect mix of networking, excitement, camaraderie, and scenic views. Safety and good times are top priorities, with expert guidance, gear provided, and refreshments available throughout the day. Don't miss this thrilling start to the convention—spots are limited, so reserve yours now!

GPA Midstream Convention Overview

The GPA Midstream Convention is an annual midstream-focused convention providing opportunities for midstream professionals to meet, share and learn about topics impacting the industry. In 2019, attendance was nearly 2,400. The 2020 convention was canceled due to COVID-19, but returned in September 2021, where nearly 1,500 joined us in San Antonio. Our attendance has been growing since, and in 2024, we welcomed almost 1,800 attendees.

This convention touches all professional levels, from entry-level engineers, to technical experts, to CEOs, and attendees come from both operating and supplier companies.

A large percentage of GPA Midstream Convention attendees are decision-makers within their companies, with nearly 20% holding an executive title (chief executive officer, chief operating officer, president, director, senior vice president and vice president). A large percentage of attendees at the executive level have an engineering degree and background, as do the more than 30% holding a manager title.

More than 20% of our attendees hold engineering titles, including but not limited to the following: applications engineer, automation engineer, consulting engineer, controls engineer, environmental engineer, facility engineer, field engineer, gas processing engineer, mechanical engineer, operating engineer, plant engineer, process engineer and project engineer.

Convention Venue

All convention functions will be held at the San Antonio Marriott Rivercenter.

Things You Should Know

When/How Can I Sign Up to be a Sponsor?

Registration for all sponsorship opportunities will open on April 23, 2025, at 8 a.m. Central Daylight Time and are available on a first-come, first-served basis, meaning payment is required to secure your sponsorship. Please complete the online sign-up form located here beginning on April 23: [Become a Sponsor \(midstreamassociation.org\)](https://midstreamassociation.org) For opportunities priced at more than \$2,500, companies have the option of paying a 50% deposit to secure those opportunities. Please note that checks and purchase orders mailed prior to the April 23 opening date will not guarantee an opportunity for any company and will be returned.

Sponsor Name/Logo Recognition

GPA Midstream handles company name and logo recognition according to each company's cumulative sponsorship spend based on the following levels: \$500 - \$750, \$1,000 and up, \$1,500 and up, \$2,000 and up. For details, see Appendix A, p. 19. Note that hospitalities are handled differently, so Appendix A does not apply to hospitality spends (see Hospitalities, p. 5).

"Maximum Available"

Each opportunity has a "Maximum Available" section to advise as to how many sponsors there can be for that particular option. If only one opportunity is available, it is labeled "Exclusive".

"The Fine Print" and "Associated Deadlines"

Every opportunity also has sections called "The Fine Print" and "Associated Deadlines." Please review "The Fine Print" carefully to learn about requirements and restrictions specific to each sponsorship and exhibit option. The "Associated Deadlines" section applies once a company has secured that particular opportunity, so GPA Midstream encourages you to put those deadline reminders on your calendar so an opportunity for exposure isn't missed.

Pricing for Members vs. Non-Members

Special Recognition

When GPA Midstream prepared to launch its first comprehensive sponsorship program years ago, the association elected to include a grandfather clause to recognize and thank its longtime GPA Midstream Convention sponsors, which have repeatedly offered their time and resources to help make the convention a better experience for all attendees. We also want to acknowledge those who have taken the initiative to co-create sponsorships and enhance the attendee experience. The following companies sponsor the respective opportunities listed below and may continue to do so until either they or GPA Midstream elect otherwise:
