GPA Midstream Convention Overview

The GPA Midstream Convention is an annual midstream-focused convention providing opportunities for midstream professionals to meet, share and learn about topics impacting the industry. In 2019, attendance was nearly 2,400. The 2020 convention was canceled due to COVID-19, but returned in September 2021, where nearly 1,500 joined us in San Antonio. Our attendance has been growing since, and in 2024, we welcomed almost 1,800 attendees.

This convention touches all professional levels, from entry-level engineers, to technical experts, to CEOs, and attendees come from both operating and supplier companies.

A large percentage of GPA Midstream Convention attendees are decision-makers within their companies, with nearly 20% holding an executive title (chief executive officer, chief operating officer, president, director, senior vice president and vice president). A large percentage of attendees at the executive level have an engineering degree and background, as do the more than 30% holding a manager title.

More than 20% of our attendees hold engineering titles, including but not limited to the following: applications engineer, automation engineer, consulting engineer, controls engineer, environmental engineer, facility engineer, field engineer, gas processing engineer, mechanical engineer, operating engineer, plant engineer, process engineer and project engineer.

Convention Venue

All convention functions will be held at the San Antonio Marriott Rivercenter.

Things You Should Know

When/How Can I Sign Up to be a Sponsor?

Registration for all sponsorship opportunities will open on April 23, 2025, at 10 a.m. Central Daylight Time and are available on a first-come, first-served basis, meaning payment is required to secure your sponsorship. Please complete the online sign-up form located here beginning on April 23: [Become a Sponsor \(midstreamassociation.org\)](https://www.midstreamassociation.org) For opportunities priced at more than \$2,500, companies have the option of paying a 50% deposit to secure those opportunities. Please note that checks and purchase orders mailed prior to the April 23 opening date will not guarantee an opportunity for any company and will be returned.

Sponsor Name/Logo Recognition

GPA Midstream handles company name and logo recognition according to each company's cumulative sponsorship spend based on the following levels: \$500 - \$750, \$1,000 and up, \$1,500 and up, \$2,000 and up. For details, see Appendix A, p. 19. Note that hospitalities are handled differently, so Appendix A does not apply to hospitality spends (see Hospitalities, p. 5).

"Maximum Available"

Each opportunity has a "Maximum Available" section to advise as to how many sponsors there can be for that particular option. If only one opportunity is available, it is labeled "Exclusive".

"The Fine Print" and "Associated Deadlines"

Every opportunity also has sections called "The Fine Print" and "Associated Deadlines." Please review "The Fine Print" carefully to learn about requirements and restrictions specific to each sponsorship and exhibit option. The "Associated Deadlines" section applies once a company has secured that particular opportunity, so GPA Midstream encourages you to put those deadline reminders on your calendar so an opportunity for exposure isn't missed.

Pricing for Members vs. Non-Members

The prices listed within this document are for GPA Midstream/GPSA members only.

Special Recognition

When GPA Midstream prepared to launch its first comprehensive sponsorship program years ago, the association elected to include a grandfather clause to recognize and thank its longtime GPA Midstream Convention sponsors, which have repeatedly offered their time and resources to help make the convention a better experience for all attendees. We also want to acknowledge those who have taken the initiative to co-create sponsorships and enhance the attendee experience. The following companies sponsor the respective opportunities listed below and may continue to do so until either they or GPA Midstream elect otherwise:

Balon – Sporting Clays Lunch

Bryan Research & Engineering – Hospitality Brochure

ISTI – Monday Night Lobby Bar Happy Hour

Hospitalities – Pricing Varies

Private Suites: Available Sunday night, September 21, 2025, or Monday night, September 22, 2025, in suites located in the sleeping section of the Marriott Rivercenter - **\$250***

*GPA Midstream collects this fee per suite each night; company hosting a hospitality in a private suite is also responsible for covering the hotel's per-night suite fee, in addition to beverages, food and entertainment.

Public Hospitality Rooms: Available Tuesday night, September 23, 2025, in conference-level rooms, in a range of sizes, from intimate conference rooms to grand ballrooms:

Less than 1,000 sq. ft. - \$400**

1,000 – 2,500 sq. ft. - \$550**

More than 2,500 sq. ft. - \$700**

**This fee is for space only; beverages, food, entertainment, etc., is incremental.

Description: Company interested in hosting a private suite or public hospitality must request the space through GPA Midstream (not the hotel). The hospitality request form will become available on April 23, 2025 at 10 a.m., and the deadline to request hospitality space for the 2025 GPA Midstream Convention is July 28 at 5 p.m. Central Standard Time. Space assignments will be communicated by August 1.

Recognition & Visibility

- Companies hosting a hospitality have the option of listing their hospitality in the Midstream Go app. The app listing includes company name, logo, company contact information, hospitality description, plus the date, time, and location of your hospitality. Companies may also include a one-page PDF document (8.5x11, no more than 10 MB) or JPG to be included with their app listing. The document could include company information or more details about the event.
- Companies also have the option of including their hospitality in a printed Hospitalities directory, which will be available on-site for attendees starting Sunday afternoon, September 21, 2025.

The Fine Print

- Payment for hospitality space is due at the time of reservation.
- **All company representatives attending or working a hospitality, regardless of the extent or duration of their participation in other convention activities, must be registered for the GPA Midstream Convention to participate.**
- Applying for hospitality space will not guarantee that a company will receive space, nor should companies expect to receive the same amount of space, or the same type of suite as awarded in a previous year. Companies applying for space are strongly encouraged to withhold from making deposits on bands, displays, etc., until they know exactly how much space has been allotted.
- Hospitalities are not considered to be GPA Midstream Convention sponsorships, so logo recognition given to sponsors does not apply to companies hosting hospitalities. Hosts are limited to one logo and one company name (no taglines, marketing-related verbiage or related business units may be included in the name listing) in the Midstream Go app and the hospitality brochure.
- Hospitalities cannot conflict with scheduled convention functions and may not start before 7:30 p.m. on Sunday, 6:30 p.m. on Monday or 7:00 p.m. on Tuesday.
- Signs advertising hospitalities may be placed outside the room door, but not in lobbies, hallways, elevators or on stairways and escalators. Signs not adhering to placement restrictions will be removed.
- The hospitality cost paid to GPA Midstream is for space only. Companies must work directly with the hotel for needs other than the provided space (electrical, setup, cleanup, waste baskets, finger foods, desserts, etc.) at additional costs.
- Companies failing to adhere to the posted policies are subject to forfeiture of their exhibit space without a refund.
- Hospitality hosts are responsible for providing app information to GPA Midstream by the deadline listed below. No information will be accepted after the deadline.
- GPA Midstream has the right to cancel any company's hospitality at its sole discretion.
- GPA Midstream staff attempts to address all concerns regarding the assignment of hospitality space in an objective manner.

Associated Deadlines

- July 28, 2025 – must complete online hospitality request form by 5 p.m. CDT.

App – Banner Ad – \$3,500

Maximum Available: 5

Description: Why not advertise in one of the most visible digital spaces during the convention? The all-new industry-focused Midstream Go app will be the ultimate resource for convention materials and will put the convention schedule at the attendees' fingertips. Your custom banner ad will appear at the top of the convention-specific information screens and will rotate with up to 4 other sponsors' ads. Attendees can tap on your advertisement to see other resources on the web. An effective banner can drive traffic to your company web site, increase industry visibility and sales.

Banner sponsors' ads will rotate with the other banner sponsors' ads before, during and after the GPA Midstream Convention. Banner sponsor will be allowed to run one ad at a time before, during and after the convention. Up to 5 banner ads are available; companies may purchase more than one.

Entitlements

- 1 banner ad that will rotate with up to 4 other companies' sponsored banner ads 30 days before the convention
- 1 banner ad that will rotate with up to 4 other companies' sponsored banner ads during the convention
- 1 banner ad that will rotate with up to 4 other companies' sponsored banner ads 30 days after the convention

Recognition & Visibility

- Recognized by company logo on GPA Midstream convention web site, logo in the convention's printed program, and logo within the Midstream Go app.

Associated Deadlines

- August 1, 2025 – deadline to send banners to run before, during and after convention

App – Push Notification - \$500

Sunday, September 21 – \$500 (5 available)

Monday, September 22 – \$500 (10 available)

Tuesday, September 23 – \$500 (10 available)

Wednesday, September 24 – \$500 (5 available)

Description: Create custom messages (limited to 140 characters) to send directly to GPA Midstream Convention attendees' phones and tablets through the Midstream Go app. For app users that allow push notifications, alerts will display in the center of the screen. Those that don't allow the notifications will still be able to tap a "notifications" section of the app and see all notifications there. All messages will be archived in that section as well. Companies sending a push notification can link to their web sites – as long as the link characters are figured into the 140-character limit. Sponsor messages may be scheduled for specific times but not during meetings, sessions, and forums.

Entitlements

- One custom 140-character message to be pushed to app users on day selected and at time specified by the sponsor (restrictions apply to times)

Recognition & Visibility

- Logo recognition on GPA Midstream Convention web site and printed materials will be based on cumulative sponsorship spend. See Appendix A for details.
